

Subtraction with Objects (A)

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

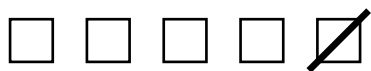

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

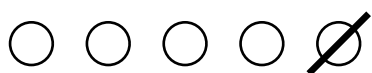

Subtraction with Objects (B)

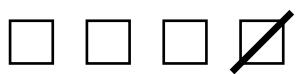

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

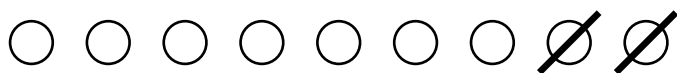

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

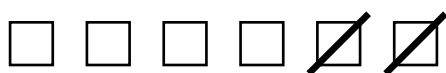

Subtraction with Objects (C)

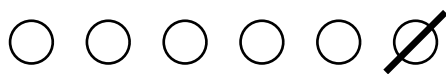

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

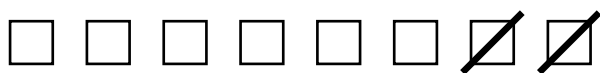

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

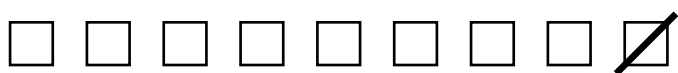

Subtraction with Objects (D)

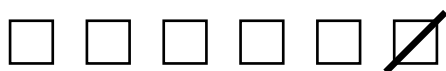

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

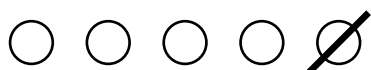

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

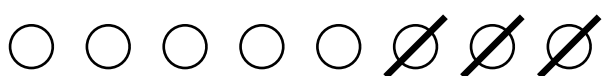

Subtraction with Objects (E)

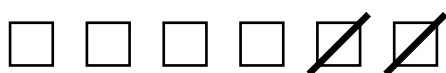

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

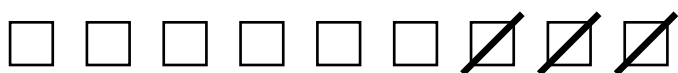

Subtraction with Objects (F)

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

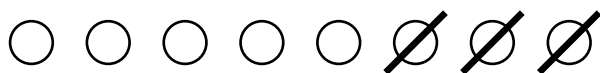

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

Subtraction with Objects (G)

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

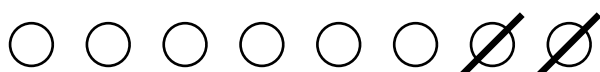

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

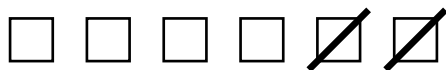

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

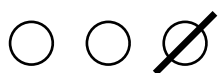

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

Subtraction with Objects (H)

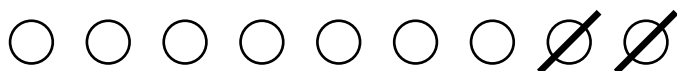

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

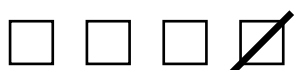

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

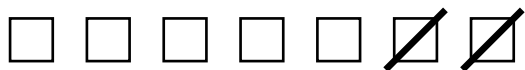

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

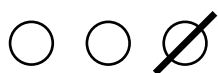

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

Subtraction with Objects (I)

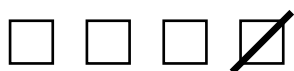

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

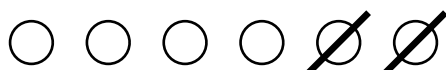

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

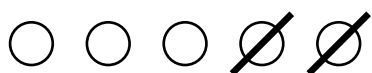

Subtraction with Objects (J)

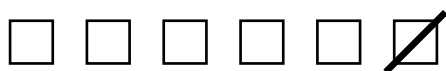

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$
