

Volume of a Cone (A)

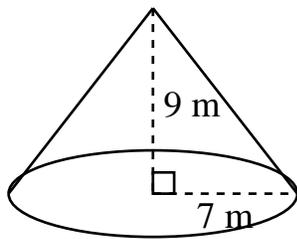

Find the volume. Give your answer as an exact value.

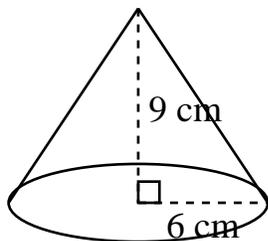

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

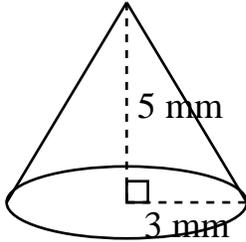

Find the volume. Give your answer as an exact value.

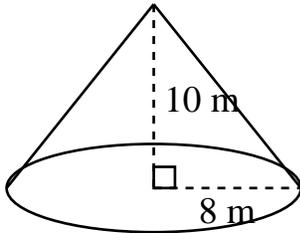

Volume of a Cone (B)

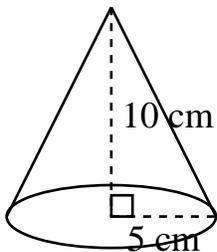

Find the volume. Give your answer as an exact value.

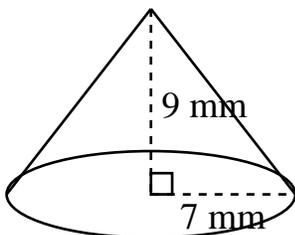

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

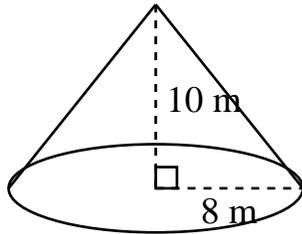

Find the volume. Give your answer as an exact value.

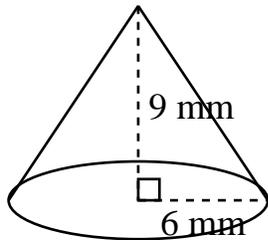

Volume of a Cone (C)

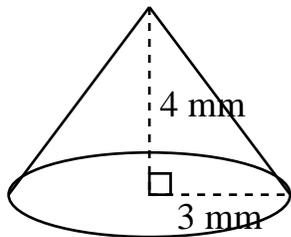

Find the volume. Give your answer as an exact value.

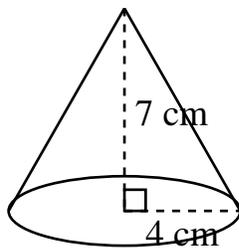

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

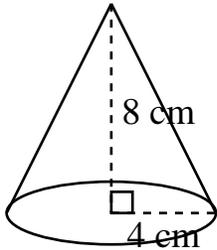

Find the volume. Give your answer as an exact value.

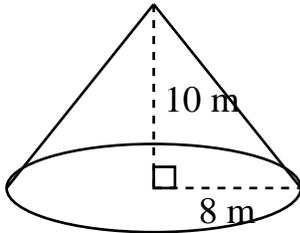

Volume of a Cone (D)

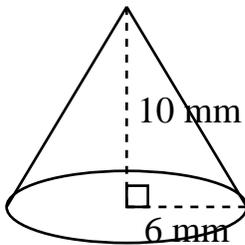

Find the volume. Give your answer as an exact value.

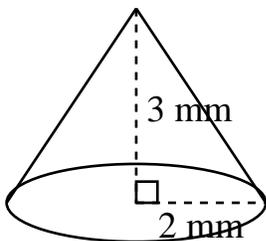

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

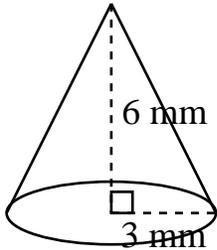

Find the volume. Give your answer as an exact value.

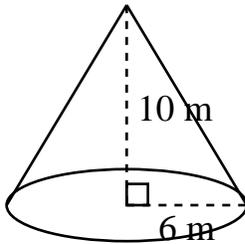

Volume of a Cone (E)

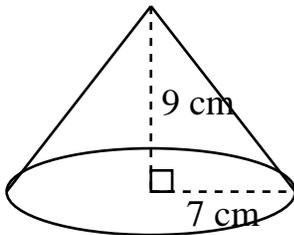

Find the volume. Give your answer as an exact value.

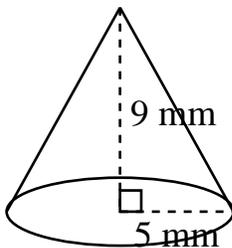

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

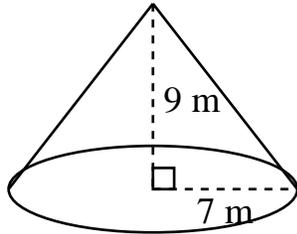

Find the volume. Give your answer as an exact value.

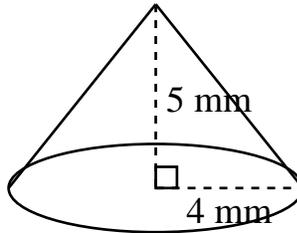

Volume of a Cone (F)

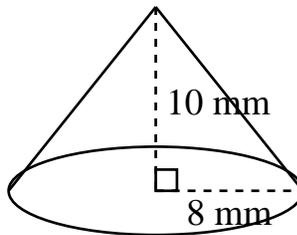

Find the volume. Give your answer as an exact value.

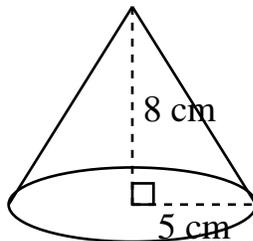

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

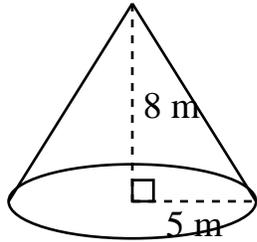

Find the volume. Give your answer as an exact value.

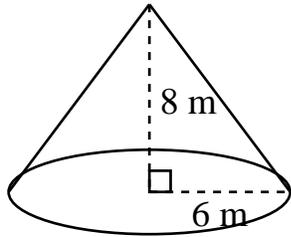

Volume of a Cone (G)

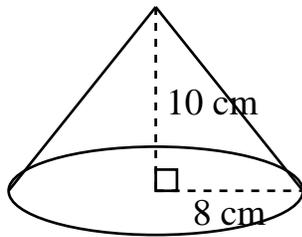

Find the volume. Give your answer as an exact value.

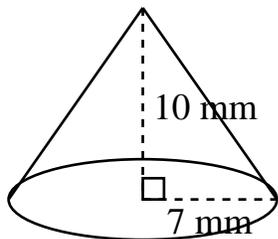

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

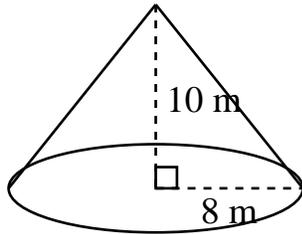

Find the volume. Give your answer as an exact value.

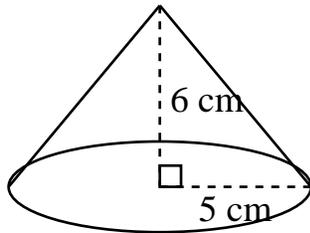

Volume of a Cone (H)

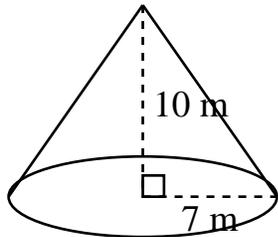

Find the volume. Give your answer as an exact value.

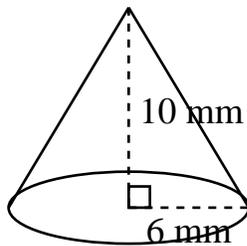

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

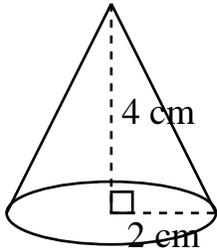

Find the volume. Give your answer as an exact value.

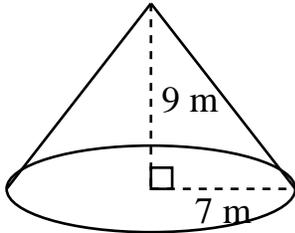

Volume of a Cone (I)

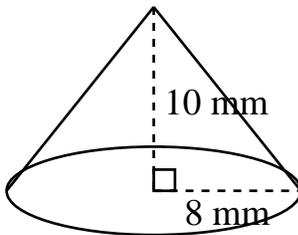

Find the volume. Give your answer as an exact value.

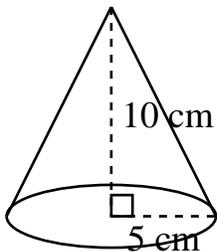

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

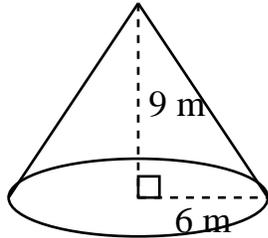

Find the volume. Give your answer as an exact value.

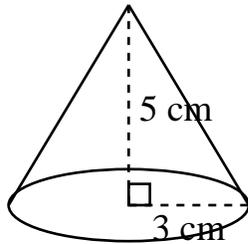

Volume of a Cone (J)

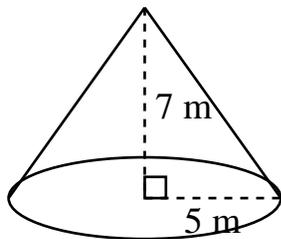

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.

Find the volume. Give your answer as an exact value.
