

Measuring Angles (A)

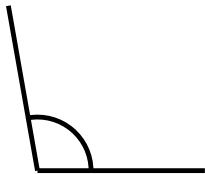

Find the size of the angle.

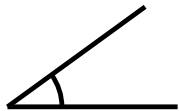

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

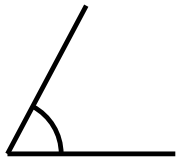

Measuring Angles (B)

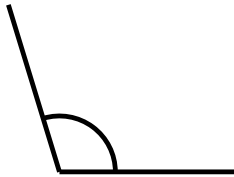

Find the size of the angle.

Find the size of the angle.

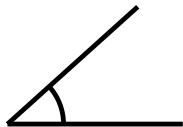

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

Measuring Angles (C)

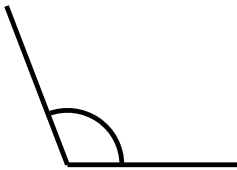

Find the size of the angle.

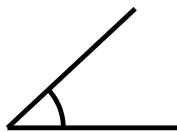

Find the size of the angle.

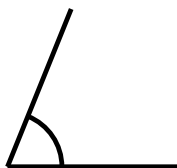

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

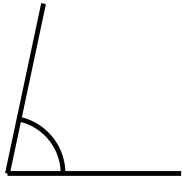

Measuring Angles (D)

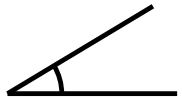

Find the size of the angle.

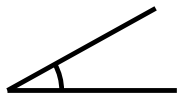

Find the size of the angle.

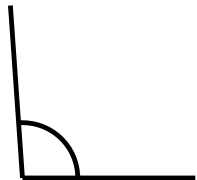

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

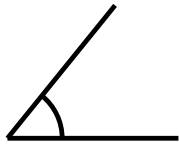

Measuring Angles (E)

Find the size of the angle.

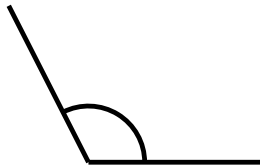

Find the size of the angle.

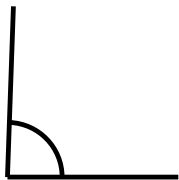

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

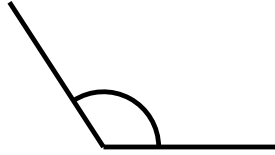

Find the size of the angle.

Measuring Angles (F)

Find the size of the angle.

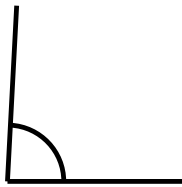

Find the size of the angle.

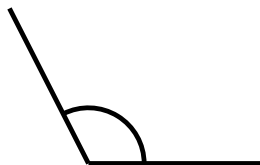

Find the size of the angle.

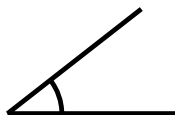

Find the size of the angle.

Find the size of the angle.

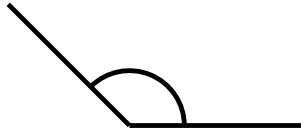

Find the size of the angle.

Measuring Angles (G)

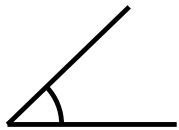

Find the size of the angle.

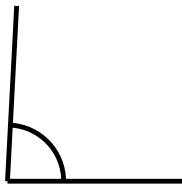

Find the size of the angle.

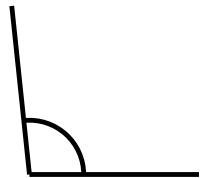

Find the size of the angle.

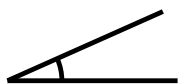

Find the size of the angle.

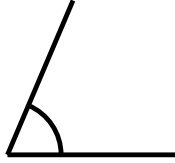

Find the size of the angle.

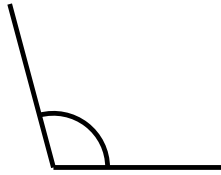

Find the size of the angle.

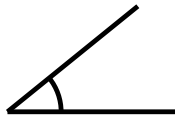

Measuring Angles (H)

Find the size of the angle.

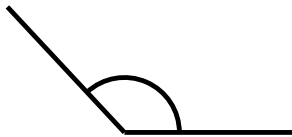

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

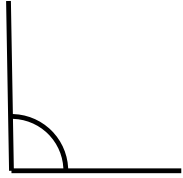

Find the size of the angle.

Find the size of the angle.

Measuring Angles (I)

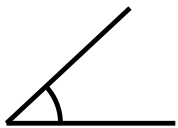

Find the size of the angle.

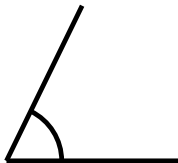

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

Measuring Angles (J)

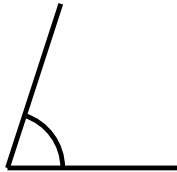

Find the size of the angle.

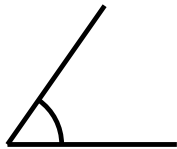

Find the size of the angle.

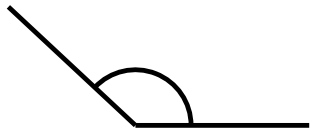

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.

Find the size of the angle.
