

Volume of a Pyramid (A)

Find the volume.

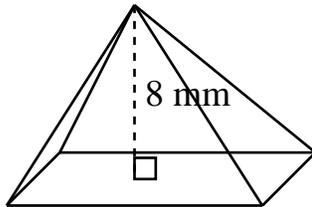

Base area = 7 cm^2

Find the volume.

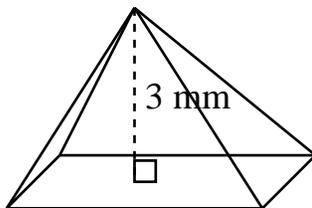

Base area = 22 m^2

Find the volume.

Base area = 19 mm^2

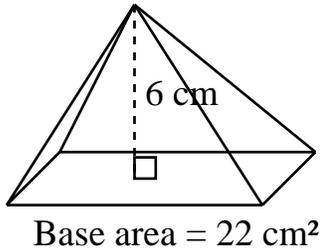

Find the volume.

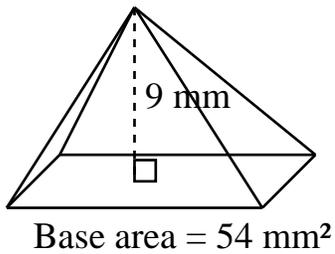

Base area = 53 mm^2

Volume of a Pyramid (B)

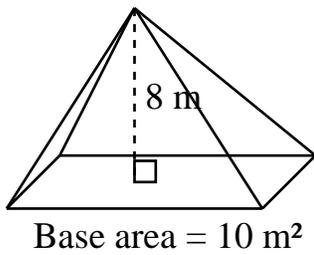

Find the volume.

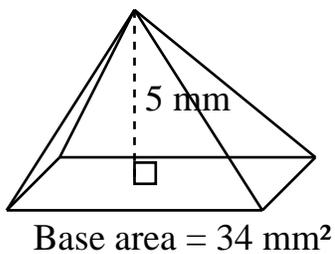

Find the volume.

Find the volume.

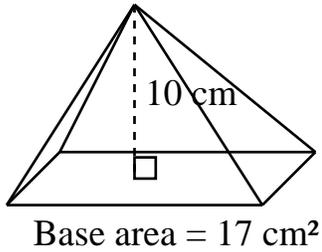

Find the volume.

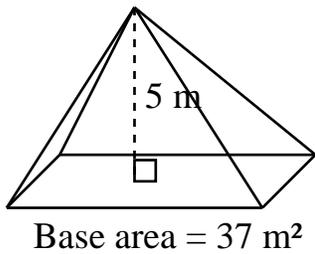

Volume of a Pyramid (C)

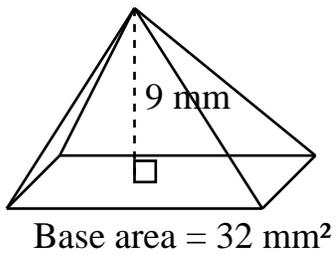

Find the volume.

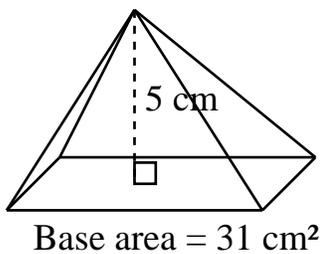

Find the volume.

Find the volume.

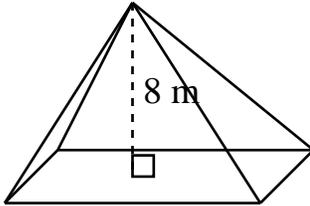

Find the volume.

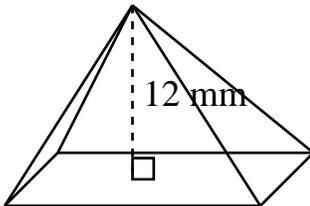

Volume of a Pyramid (D)

Find the volume.

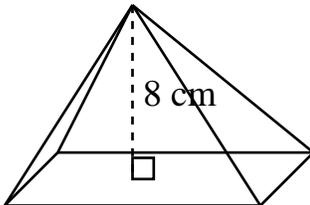

Base area = 22 m^2

Find the volume.

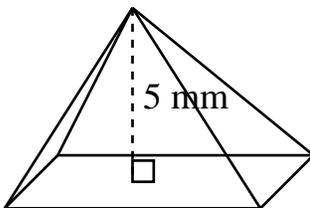

Base area = 29 mm^2

Find the volume.

Base area = 21 cm^2

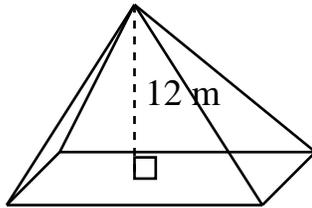

Find the volume.

Base area = 7 mm^2

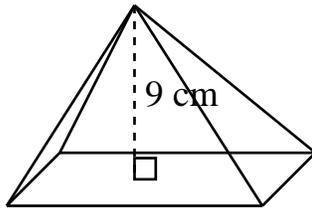

Volume of a Pyramid (E)

Find the volume.

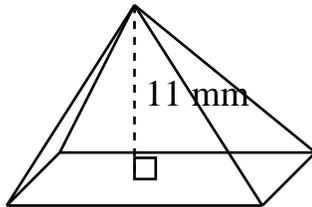

Base area = 48 m^2

Find the volume.

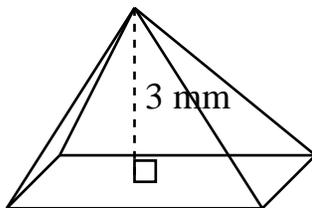

Base area = 37 cm^2

Find the volume.

Base area = 59 mm^2

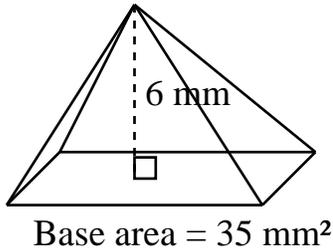

Find the volume.

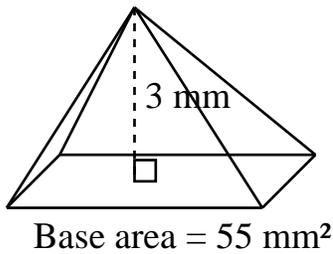

Base area = 24 mm^2

Volume of a Pyramid (F)

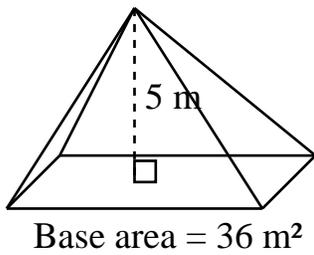

Find the volume.

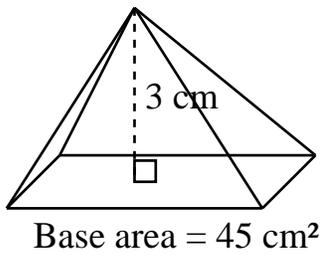

Find the volume.

Find the volume.

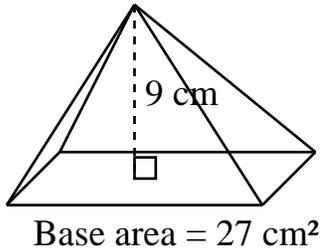

Find the volume.

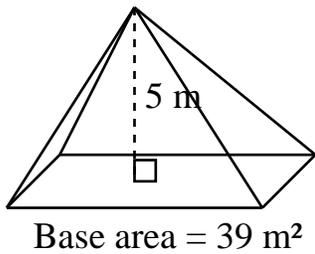

Volume of a Pyramid (G)

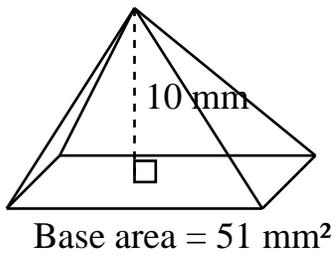

Find the volume.

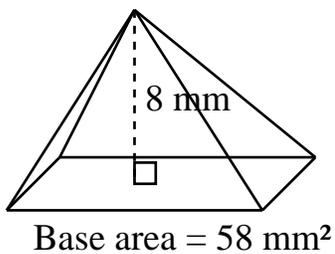

Find the volume.

Find the volume.

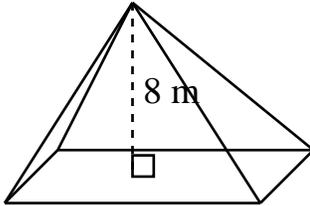

Find the volume.

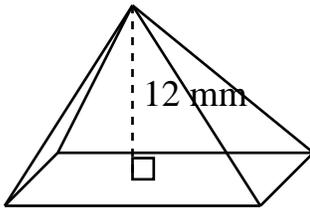

Volume of a Pyramid (H)

Find the volume.

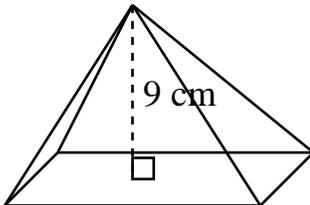

Base area = 57 m^2

Find the volume.

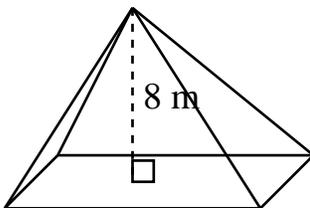

Base area = 22 mm^2

Find the volume.

Base area = 17 cm^2

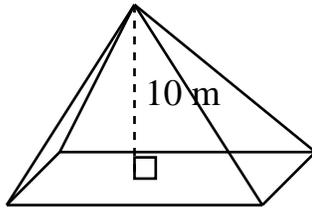

Find the volume.

Base area = 17 m^2

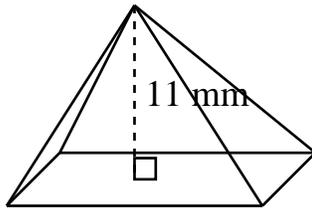

Volume of a Pyramid (I)

Find the volume.

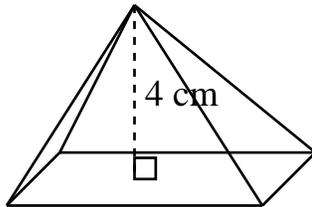

Base area = 7 m^2

Find the volume.

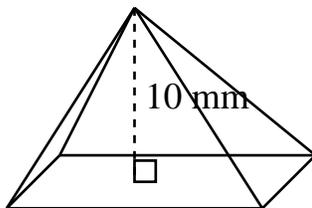

Base area = 31 mm^2

Find the volume.

Base area = 26 cm^2

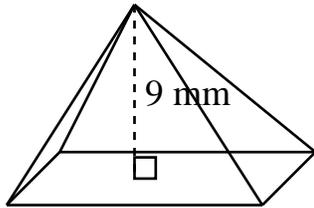

Find the volume.

Base area = 22 mm^2

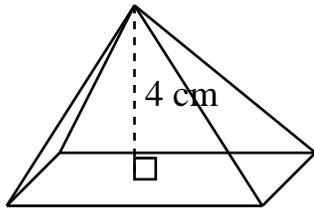

Volume of a Pyramid (J)

Find the volume.

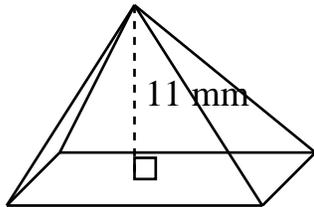

Base area = 9 mm^2

Find the volume.

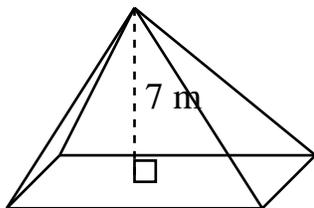

Base area = 11 cm^2

Find the volume.

Base area = 20 mm^2

Find the volume.

Base area = 14 m^2
